RE: SC PSC# 2803

Dear Mr. Sutherland:

This is to advise everyone that CoMac, Inc., of N. Charleston, SC has now closed. We regret to inform you of this information, but due to circumstances beyond our control, we were forced out of business. This was mainly because of the economy and the new military program, which drastically hampered business operations and slashed receivables beyond recovery.

We want to thank you for all of the help you provided over this last 25 years, and it has been a pleasure working with you all!

If there are any questions, please do not hesitate to get in touch with us. While our "official" closing date was July 1, 2010, we can be reached through the address above, or by phone at (843) 893-3066, for a short time.

Thank you again --

Sincerely,  
CoMac, Inc.
